

Table with columns for ID, Name, Date, and multiple numerical values. Rows include entries for 'Альпратанова 0.5', 'Альпратанова 1', 'Альпратанова 2', 'Альпратанова 3', and 'Альпратанова 10/10/10' across various months from 25 to 31. The table contains a large volume of data points, including some with bolded values and small annotations like '18,889' or '20,070'.
